How to Search Destinations

The Destinations section can be used to search for stations, find station formats, and more!

Go to https://cadbeta.addelivery.cts.comcast.net/cad/login and enter your credentials to login to the **Provider Portal**; the Account name will be displayed in the upper-right below the Username.

1. Click the **Destinations** icon on the left side of the screen.
2. In the Search bar, either:
    a. Leave the search field(s) blank to see ALL Destinations
    b. Enter the station code in the **Call Letter/Syscode** field
        i. NOTE - do not use spaces, dashes or any special characters
3. Hit **ENTER** or click **SEARCH** at the bottom of the Search bar.
    a. Multiple destinations may come up – be sure you are looking at the correct one.

Here you can see Market, Destination Type, Receiver, Online (hover over icon to see status), and Format
- Online – if a station is "offline", you can send your order as-is; our dedicated support team is continuously monitoring destinations and orders
- Format – these are the formats a station can accept; HD SD, CC, VDS, SAP, 5.1
